**In memory of our very dear friend, club-mate and co-founder of  
this race**

**Dave Peck**

I and my fellow club-mates at Twickenham CC are pleased to welcome you all to our race at Virginia Water. Once again, we are thrilled that we have a full field and I urge all riders to pay heed to the rules of the road and the Commissaires instructions to ensure you all have a safe and enjoyable race.

Twickenham CC Club Chairman, Dave Peck, sadly passed away as a result of injuries suffered from a fall whilst on a London-to-Paris ride in 2011. Dave was an avid supporter of road racing and played a key part in setting up this event back in 2008. At his funeral, his brother Andy Peck asked us to do something positive for cycling and that's when I decided to continue running what is now an annual event in Dave's memory. There is always exciting racing and many compliments afterwards about how much you, the riders and supporters have enjoyed the event. I know Dave would be so happy to see how well the event is being regarded and let's hope he can make it a bit warmer with some sunshine in 2024!

This race is the 2nd event in the British Women's Team Cup Competition. As well as riders individually scoring BC points for the first 20 places as it is a National B race, the riders in teams that are registered for the Team Cup also accrue team points according to the finish positions of the first four riders in each team, irrespective of how far down the field they finish. The competition will be hotly contested over seven races in the 2024 series. We are thrilled to welcome back Ruth Shier who won the race with a 6 minute lead last year as part of the Hutchinson-Brother team who all rode superbly throughout all the BWTC races to become 2023 Team Cup champions. But will we see our current BWTC 2024 competition leaders FTP Racing Team further their lead or will it change to one of the other 25 teams in this years competition?

Now in our 131<sup>st</sup> year, Twickenham CC have a diverse and active membership who participate in many cycling disciplines. TCC are proud to organise this event as part of the club's ethos to promote cycling from grass roots through to national level.

**Thank you for supporting our event and we hope you have a great day – we have plenty of tea and cake at HQ for you and your supporters! Also please stay after the event for the prize presentation by Andy Peck.**

## Rider Instructions

The HQ this year is again in the School Den not the main School hall. It is located in the furthest away car park. It will not be open until 8.30am. If you arrive before then, please take the opportunity to drive the course to familiarise yourself with the turns and the road conditions. Note we have had a very wet winter and despite our best efforts to get the Council to repair potholes there will still be holes they won't fix.

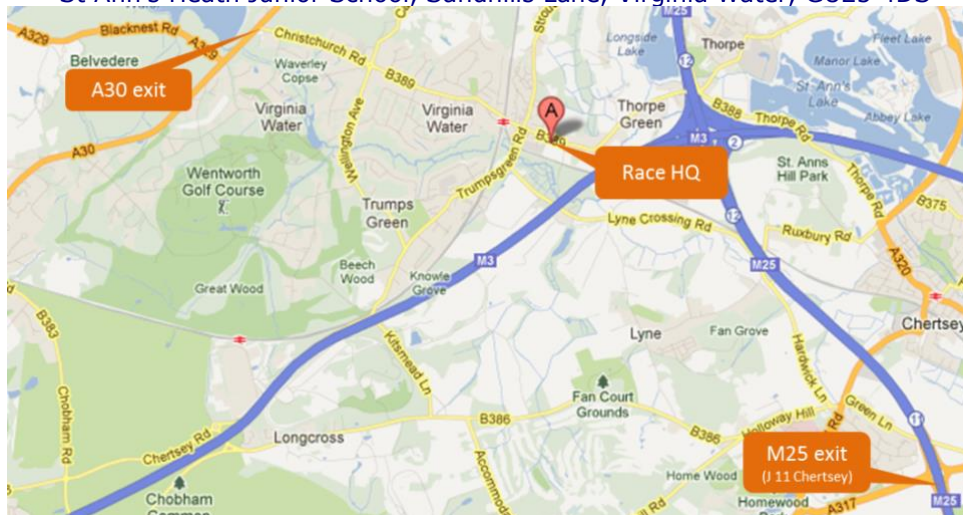

Sign-on will open at 09:30 and will close at 10:15, 45 minutes before the race starts at 11:00. Please ensure you bring your race licenses that will be returned when you hand back your race numbers and timing chip after the race. Pin numbers on your middle pocket (for Commissaires) and under your right armpit sideways (for the finish judges). Transponders should be fixed to the front fork. It is up to the rider to ensure their timing chip is returned and failure to do so will incur a £100 penalty for replacement.

Please line-up behind the Lead Cars at the school exit at 10:50 for the Commissaire's safety briefing.

**Please do not park 500m either side of the finish. There is a public car park on Staple Hill where spectators can park and walk to the finish. Note there are height restrictions on all car parks.**
